

The Pawtucket School
Department
Summer Reading
2009

Dear Students and Families,

Summer vacation is fast approaching. To reinforce the many literacy skills that the students have acquired during the school year and based on our discussions with the Pawtucket Public Library a revised, **suggested** summer reading list has been developed. This revision is compiled of books by a variety of authors and covers different grade spans. The attached list is only a suggestion; students are free to read any book they would like. The hope is that as many books as possible will be read during the summer. The suggested summer reading list is available at the Pawtucket Public Library and on the Pawtucket School Department Literacy page at: www.psdri.net/curriculum.

This assignment does not apply to students in the Project PASS Program. As always, Project PASS teachers will continue to create summer reading assignments and activities for their students. Please refer to the materials provided to each Project PASS student at the end of the school year.

Kim McCaughey
District Literacy Coordinator
